

CAH A16 LOCKER ROOM

CALLAHEAD has been a New York company in business since 1976. CALLAHEAD is a family owned and operated business and the leader in our field with countless innovations. The **CAH A16 LOCKER ROOM** is another one-of-a-kind CALLAHEAD design and the smallest of the CAH LOCKER ROOM series with larger sizes available only through CALLAHEAD. Charles W. Howard, award-winning builder and designer and, President and CEO of CALLAHEAD designed the **CAH A16 LOCKER ROOM**. The **CAH A16 LOCKER ROOM** is like nothing else in the field and guaranteed to bring architecture and value to any location. The **CAH A16 LOCKER ROOM** is constructed of premium quality materials and constructed of marine-grade products for superior strength. The comfortable interior includes two individual full-length lockers, cushion bench seating, a full-length mirror, and coat and hat hooks, all within a climate-controlled room that can be placed anywhere. The **CAH A16 LOCKER ROOM** is for any location needing locker facilities. Perfect for commercial and private rental locations to provide secure lockers for personal belongings for employees, clients and guests.

The **CAH A16 LOCKER ROOM** was built using only premium heavy-duty materials and will look spectacular in any location. The steel commercial fireproof door is durable for any job site. The door includes a key lock entry and an internal locking system for privacy. CALLAHEAD New York specialty-designed signage represents the absolute best in the field. The **CAH A16 LOCKER ROOM** is constructed of high-density polyethylene marine-grade plastic. Marine grade diamond plate aluminum and built-in marine grade stainless steel fasteners with durability and quality, you can see. **CAH A16 LOCKER ROOM** is available in white, blue, red, gray, brown, yellow, green, dolphin gray, steel blue, and orange. Selecting a **CAH A16 LOCKER ROOM** matching the location will make it seem like the locker room was designed and manufactured especially for you.

CALLAHEAD's **CAH A16 LOCKER ROOM** is offered in various color options adding even more value to the rental and the location. With the **CAH A16 LOCKER ROOM**, you can select the best color for the setting. Lifeguards at the public pool may require locker facilities on-site for valuables and a place to change out of wet clothing. Construction crews working with dangerous materials would appreciate locker facilities at the jobsite before heading home to their families. The **CAH A16 LOCKER ROOM** delivers lockers on site to safely secure personal property and remove work clothes contaminated with hazardous materials. Medical staff and firefighters at emergency locations would benefit greatly from the **CAH A16 LOCKER ROOM** to change out of soiled clothing from sick and injured patients, and smoke and chemicals from fire sites and rescues.

As an example of CALLAHEAD's coloring system, CALLAHEAD recommends an orange **CAH A16 LOCKER ROOM** at construction sites adding as well as blending with safety equipment. New home construction site or contracting jobs CALLAHEAD most often recommends a green **CAH A16**. If you require a **CAH A16 LOCKER ROOM** at the pool or beach, CALLAHEAD recommends a blue locker room. Medical facilities, a white **CAH A16 LOCKER ROOM** is the perfect choice. For the fire department red is CALLAHEAD's go-to color. Coloring by CALLAHEAD is to give our clients the highest value with every CALLAHEAD rental.

As CALLAHEAD recommends a red **CAH A16 LOCKER ROOM** for the FDNY, we recommend blue for the NYPD. Park, and residential locations, green is the ideal choice. Gas stations and mechanic shops a brown **CAH A16 LOCKER ROOM** matches the setting perfectly. Both a green and brown **CAH A16** can be the perfect choice for military sites depending on the setting. Schools and universities can select a **CAH A16 LOCKER ROOM** representing their school or team colors. Choosing the perfect color with the **CAH A16 LOCKER ROOM**'s polished aluminum finish makes any location look incredible. The **CAH A16 LOCKER ROOM**'s ornamental design of various metals with diamond plates is like no other locker room available anywhere and a first for the industry.

CAH A16 LOCKER ROOM's interior is just as impressive. Two full-length individual standing lockers are available inside the **CAH A16**. Each locker is 5' 6" tall, and includes a shelf, coat, and hat hook. The locker can be secured with a padlock to safely secure personal property for peace of mind. The common area inside the **CAH A16 LOCKER ROOM** includes bench seating with a vinyl cushion top for comfort and durability. Plus, four wall mounted coat and hat hooks to hang personal items. A full-length mirror is also wall mounted. The four-way electrical outlet was installed to conveniently plug in a cell phone or other electrical equipment. A pull chain light fixture will provide plenty of light inside the **CAH A16 LOCKER ROOM**. The interior walls match the locker room's exterior color. Faux wood Armstrong flooring brings warmth to the interior design. A 1500 Watt fan forced wall heater will keep the temperature comfortable inside during New York's colder winter months. A 13,000 BTU Dometic overhead air conditioning unit is perfect for the hot summer months.

CALLAHEAD's **CAH A16 LOCKER ROOM** is for any location needing locker facilities. Private and public pools, country clubs, sports fields, tennis courts, golf courses, hockey and ice rinks, construction sites, emergency locations are just a few of the locations where the **CAH A16 LOCKER ROOM** is in high demand. The **CAH A16 LOCKER ROOM** provides safe storage facilities for lifeguards to change comfortably into clean, dry clothing after their workday is complete. Bridge, sewer, and tunnel construction workers can remove contaminated clothing before getting into their vehicles to drive home to their families after a hard day at the job site. Painting contractors will also appreciate the **CAH A16 LOCKER ROOM** to remove clothing after working with dangerous paints and solvents. If the **CAH A16 LOCKER ROOM** is not large enough for your location, CALLAHEAD has additional sizes to accommodate your location's need. Renting two **CAH A16 LOCKER ROOMS** are also popular to provide men and women a comfortable environment to change clothing at the end of the workday.

CALLAHEAD's **CAH A16 LOCKER ROOM** will be delivered and placed in the location you select. The **CAH A16 LOCKER ROOM** is not like anything ever designed. The **CAH A16 LOCKER ROOM** is so architectural to look amazing and add value to any property. Charles W. Howard created the **CAH A16 LOCKER ROOM** series to look like it was built just for the location. As an added convenience with just one phone call, CALLAHEAD's **CAH A16 LOCKER ROOM** can be easily relocated from job site to job site to follow construction and contracting crews when the job moves to a new site.
