THE TRAILAHEAD 250

As New York State's leading provider of portable restroom facilities, **CALLAHEAD** is continuously creating new products to meet our customers needs. Now **CALLAHEAD** proudly introduces **The TrailaHead 250**. **The TrailaHead 250** is a state-of-the-art solution to jobsite sanitation. Restrooms are a necessary part of any project plan which is why **The TrailaHead 250** is the ideal choice for construction sites everywhere. **The TrailaHead 250** arrives on your job-site clean and ready for immediate use. Many people would like facilities to be as clean and comfortable as the ones in their own homes. With this in mind, **CALLAHEAD** designed **The TrailaHead 250** to provide all the amenities of home restrooms with features that include flushing toilets, urinals, sinks & mirrors, all in a fresh, sanitary environment. As well as porcelain toilets in private stalls, partitioned urinals, heating and air-conditioning, hot and cold running water, powered ventilation and concealed plumbing making **The TrailaHead 250** the perfect option when you want the very best for your job-site. **The TrailaHead 250** is the perfect restroom trailer to satisfy the needs of construction and other job sites. Your employees will appreciate the comforts that this unit offers. At **CALLAHEAD**, we understand that there is a great need for clean facilities from a company that you can trust. We back all of our restrooms with the best customer service in the industry!
